Script:

Hello, my name is Catherine and I am the patient care coordinator here at Smith cosmetic surgery, so I'll be assisting you throughout your journey with us. I wanted to introduce myself, as well as go over four things to better prepare you for your consultation.

- ❶ *Please allow about an hour to be with us so you have plenty of time to meet with Dr. Smith, get your questions answered, and then meet with me to go over fees and possible surgery dates.*
- ❷ *Because Dr. Smith is very popular, he books out quickly. Please bring your calendar and I'll do all I can to accommodate your schedule, should you decide to move forward.*
- ❸ *Cosmetic procedures are many thousands of dollars, so we accept all major credit cards, as well as pay plans, so let me know if that is of interest to you.*
- ❹ *Also, if anyone else is going to be helping you make this decision, whether it be your husband, sister, or mom, feel free to bring them along to the consultation so we can answer all of their questions as well.*
